11th & 12th October, Kings Langley, Hertfordshire

Are you looking for a tool that enables you to identify the root cause of your clients physical symptoms?

Would you like a precise method of matching disease conditions with the related emotional trauma?

Discover through this 2 day Introduction Course:

How to diagnose the emotional root cause of your own or a clients health issue quickly and effectively

Which specific shocks and stresses are the root cause of physical ailments

Why these certain shocks or stresses impact the body

The meaning of many common health problems

The connection between stress and illness

How you can integrate this stress based diagnostic tool with your therapy and into your therapy practice

**95% of all illness is caused through stress - Dr B Lipton**

Learn with Meta Medicine & EFT & Matrix Reimprinting Trainer Susie Shelmerdine who, through overcoming her own health problems started a journey into looking at the specific impact of stress on health. Susie takes the complex information of Meta Medicine and makes it accessible and understandable to fellow therapy practitioners
